Syracuse	\$20.00		Hershey	\$24.15		Ontario	

* There's various pricing levels for all teams so I just went with three different costs - highest, lowest, and glass seats. In many arena's with glass seating that is only the first and second row and considered a higher premium seat. The highest price is what would be considered center ice at the lowest level. Lowest cost is just as described, the cheapest ticket sold without a special promotion or offer.

* These prices **DO NOT** include service fee's.
